### How to Find Us:

Fleur Brown Nutrition (THE HEALTH HAVEN) offices are located on the edge of Tunbridge Wells town centre in a small mews. The building is just a few metres down Newcomen Road on the right-hand side as you approach from St Johns Road.

### Parking:

**Please do not drive into Clayfield Mews.**

Next to the driveway into the mews there are two reserved car parking spaces immediately in front of the green garage doors (Fleur Brown Nutrition/THE HEALTH HAVEN parking sign on the garage doors).

**Alternatively if there are no spaces at our clinic, there is a car park on the opposite side of St Johns Road (off John Street) : 40p for TWO HOURS or free parking in the roads near the clinic.**

### Access to Fleur Brown Nutrition/THE HEALTH HAVEN:

Walk into the mews and the front door to our offices is immediately on the left. It has a sign in the window beside it. Just push the door and take a seat in the reception area, or ring the bell if the door is locked.
